2. The El. Commr. reports that Shri V.L. Date who was allotted to his Deptt. vide G.L., P.W.D. No. 6846/36 (1) . E (II), dt. 26-10-49, was asked to report for duty on 5th Nov. 49. It seems Shri Date did not join duties and therefore he was asked to refund the stipend of Rs. 405-3-0 paid to him by Govt. for training, but he has not refunded the amount so far.

3. According to the agreemant to be signed by the stipendiary selected for the course of Sub-Overseers, a Govt, stipendiary is bound to accept the post of sub-overseer in the Govt. Deptt., if offered within 3 months of the date of his prossing the final examination. It seems from the letter of the Principal, Engineering college, Poona that Shri Date passed his final examination in May 1949. Shri Date was offered a job by the El. Commr. in November 1949 i.e. nearly after five manths of his passing the final examination and as such the question of recovery of the stipend from Shri Date does not arise. If approved, the El. Shri B.S. Hiray, President, Maharashtra Provincial Congress Committee, in his letter under disposal requests Govt. to find some way or the other to accomodate Shri M.V. Inamdar, ex-Sub-Overseer, South Deolali Sub-Dn., whose services have been retrenched. A copy of letter from Shri Vasantrao N. Naik,M.L.A., eulogizing the services rendered by Shri Inamdar before and during the 56th Session of the Indian National Congress, in expediting the construction work of Gandhi-Nagar is enclosed, for information. The accompaniments, amongst others, include a copy of the representation addressed to the S.E., C.C., on the 6th Novr. 1950 by Shri Inamdar, requesting the S.E. to count his previous service in the military and the service on the workcharged estabt. for the purpose of fixing seniority. The S.E.'s. remarks in the matter may be called for, as per draft put up.

2. Incidentally it may be pointed out that recently S.E., Tapi Construction Circle, had approached this Deptt. with a request to recommend from amongst the retrenched personnel suitable Overseers and Surveyors. In case the retention of Shri Inamdar in this Deptt. is found unfeasible, then his name may be recommended to the S.E., Tapi Construction Circle, to see if he can utlize his services.

These papers deal with the request of Shri B.S. Hiray, President, Mathrashtra Pradesh Congress Committee, to accommodate in P.W.D. Shri M.V. Indmdar ex-Sub-Overseer, South Deolali Sub-Division. Shri Inamdar is reported to have rendered good service before and during the 56th session of the Indian National Congress, in expediting the construction work of Gandhinagar.

2. The main agrguments advanced by Shri Inamdar are that his previous service in military may be counted for the purpose of fixing his seniority and that would help him in gaining higher place in the seneiority list. In this connection it may be stated that the only concession admissible (vide G.R., P. and S.D., No. 4083/-33-XIII, dt. the 3-10-1948) to a war service candidate is with reference to his age (that much period of service rendered as war service being defucted from his age at the time of appointment in the civil employ.)

3. As is evident from the S.E., C.C.'s report the only service that can be counted for the purposes of fixing seniority is the service rendered from 10th September 1946 have been discharged fur-ther retention of Shri Inamdar in Central Circle is not feasible.

4. In the circumstances the draft put up for approval may issue if approved.

E.B. (II). P.W.D.

The Secretary, Housing Board, proposes to dispense with the services of Sub-Overseer who had passed the Sub-Overseers Examination from the Fourth Batch and who were allotted to the Housing Organization, by the S.E., C.C., under his No. G. 55(b)/4804, dt. the 16-7-1948. It is not known why the Housing Organization proposes to dispense with the services of Sub.Overseer, when their Deptt. is managing to get the work done from them. If the Housing Organization wants to dispence their services, this Deptt. may not object to it, but it may be pointed out that if the Housing Organization should approach this Deptt. for Overseers, in future such requests will have to be negatived en-bloc.

2. The Sub-Overseers were paid stipends during the period of training and according to the 'Bond' they are requested to serve Govt. for atleast five years. In the present case as Govt. would be dispensing their services, the question of recovery of the stipand does not arise. It may, however, be made clear that the question of recovery of stipend fromthose who either did not join or resigned will have to be punished further as in the case of Shri A.K. Kaber and Shri S.K. Navale at S.Nos. 122-20 of the S.E., C.C.'s letter at p. ante.

3. However, before informing the Secy., Housing Board, in terms of para. 1 and 2 above, the Lab. & Housing Deptt. may see u.o.

It should be verified if the Housing Organisation did not ask for allotting to it number of Sub-Overseers at the time when the question of continuing to Sub-Overseer's class was being considered.

by the Housing Organization when the question of tranning Sub--Overseers either at Hubli or Sangli was being considered as the Jt. It is, however, observed from the statement at p. 199 of file 6846/36(1)-VIII (taken from E.D. file No. 7711/77528) that the Housing Commr had asked for 6 sub-Overseers, when the question of taking Sub--Overseers at the Birla Vishvakarma Mahavidhyalaya was being considered. This proposal was, however, dropped on the recommen--dation of the E.P.C.

How is an enquiry being made from other Br. & other Sectt. Deptts? Is there no record anywhere to show what happended to the file? Howwas it taken out from the Record Room without any trace being left?

This seems strange.

E.B.(II). P.W.D.

File No. 6846/36(1)-X was put up by the undersigned on 28--9-1950, vide p. 1 of file No. 2851/48(1)11475(linked file). A movement of all papers taken from the Record Room has to be given to the Movement Clerk. There is no movement, at present, of the File in the Registry which implies that the file is recorded, but it is not in the gap.

2. An enquiry has been made from the other Branches and other Sectt. Deptts. as a last resort with a view to tracing the file, as it is possible that some Branch may have either taken the file for putting it up asF.P.or the file in question may have been lent to some other Deptt. As the case in question has long been delayed, it has been proposed to call for copies of corres. in the matter from the S.E., G.I.C.

3. Incidentally, it may be pointed out that this is not the first instance where papers have been missing.. Notes section of file No. 9604/36-II has been missing and all efforts to trace it having proved in vain, the pepers have been treated as lost.

are at times removed without recording movement. In such cases. it becomes very difficult or rather impossible to trace the culprit.

E.B.(II). P.W.D.

Submitted together with the S.E., G.I.C.'s letter at. p. ante.

2. The S.E., G.I.C., has furnished copies of correspondence reg: appointment of Shri M,N. Potbhare (regarding his apptt.) and the question of rewovering the stipend for him. The facts of Shri Potbhare's case are as stated below.

3. Shri Potbhare passed the supply. examination of Sub-Overseers on 16-8-1949 declared by the Principal, College of Engrg.,Poona under his letter No. G.89(a) 12, dt. the 16-8-1949. In accordance with the 'Bond' entered into by the candidates, Shri Botbhare is required to be given an apptt. within 3 months from the date of his passing the examination. At the time of making apptts. all candidates are addressed informing them of their apptt. as in G.L. No. 6846/36(1)-E(II), dt. 11.8.1949. From the copies furnished by the S.E., G.I.C., it is observed that Shri Potbhare was allotted to the G.I.C. under G.L. No. 6846/36(1)-E(II), dt. the 26-10-1949 (addressed to the S.E.) and the S.E. was requested to issue detailed position orders by the end of Oct. 1949. The S. E. has not forwarded a copy of G.L. addressed to Shri Potbhare allotting him to the G.I.C. perhaps, the G.L. has not been endorsed to the S.E.

In the absence of the file, it is not possible to ascertain the correct position. It appears that Shri Potbhare and S.E., G.I.C. were separately apprised of the apptt. However as Shri Potbhare did not join the apptt. the S.E. reminded him under his letter No. G.I.C. 1042, dr. 21-11-1949. Shri Potbhare has, therefore, taken 21.11.1949 as the date of his apptt.i.e. after the expiry of 3 months from the date of his passing the examination. In G.L. No. 6846/36-E(II), dt. the 10-11-1949 Shri Potbhare was also informed that if he failed to join he would have to refund the stipend. In the absence of file 6846/36(1)-X it is not known on what grounds the orders have been issued. Perhaps the G.L. addressed to Shri Po--tbhare was issued on 26-10-1949, the date on which allottment orde--rs were issued to the S.Es. under G.L. No. 6846/36(1)-E(II),

How can this is?

Normally the G.L. would be endorsed.

a 'remider' does not usually serve to Govt. in period.

dt. the 26-10-1949. i.e. within the period of 3 months from the date of his passing the examn. The point for consideration is whether the stipend can be legally recovered from Shri Potbhare; in case he denies the receipt of G.L. appointing him as a Sub-Overseer in the G.I.C. Even if the file should become available some day, it is doubtful whether the stipend can be recovered from Shri Potbhare unless the receipt of letter appointing him as has been acknowledged. The R.L.A. may be requested u.o. to advise.

There should be no objection to writing to Shri Potbhare that he has been worked in G.L. No. 6846/36-E(II) dated the 10-11-49 that he will have to refund the stipend, if he fails to join the appointment in the P.W.D. and as ~~put~~ such he cannot deny the receipt of the intimetion of his apptt. within the prescribed period and that he should therefore refund the stipend.

2. Shri M.N. Potbhare has remined silent on the point that appointment was offered to him within 3 months from the date of his passing the examination, as is seen from the copy of G.L. No.6846/36(1)-E(II), dated the 10-11-1949. Instead, Shri Potbhare has tried to be vague as will be observed from his letter.

3. Shri Potbhare, however, requests Govt. to defer recovery of the stipend and to furnish him cópies of the following letters:-

(1) G.L. No. 6846/36(1)-IX-E(II). dated the 30-8-49 and list of candidates on the waiting list;

(2) G.L. No. 6846/36(1)-E(II), dt. the 31-1-50.

(3) Copy of agreement.

4. The letter at 3(1) above has been addressed to Shri Potbhare and there would be no objection to sending him a copy of the G.L.

5. As regards the list of candidates on the waiting list and the documents referred to at 3(2) and (3), it may be stated that these are official documents exclusively for the use of office and cannot be supplied.

6. From the above it is evident that Shri Potbhare is evading the issue of refunding the stipend. It appears that no useful purpose will be served by once again drawing Shri Potbhare's attention to G.D. No. 6846/36(1)-E(II), dated the 10-11-1949. It is, therefore, for orders whether the S.E. ma y be requested to take steps to recover the stipend on the strength of the copy of the G.L. referred to above.

P.W.D. 'F'

Shri M.N. Potbhare, ex-Sub.Overseer, has appealed to Govt. not to press for the recovery of stipend from him, as he was not given an appointment within the period of 3 months as required by the 'Bond' entered into by him. In order to prove that he was not given an appointment within the prescribed period, Shri Potbhare requested to be supplied with copies of the following Govt. orders:-

(1) G.L. No. 6846/36(1)-IX-E(II), dt. the 30-8-49, and list of candidates on the waiting list.

(2) G.L. No. 6846/36(1)-E(II), dt. the 31-1-50.

(3) Copy of agreement.

(4) G.L. No. 6846/36(1)-E(II), dt. the 16-9-49.

(5) G.L. No. 6846/36-E(II), dt. the 10-11-49.

The G.Ls. at (1) and (5) have been addressed to shri Potbhare and copies thereof may be forwarded to him. The list of candidates on the waiting list refd. to in (1) above has been forwarded to ~~the~~ local officers for their official use. Copy thereof may not be forwarded to Shri Potbhare.

2. As regards copy of 'Bond' entered into by Shri Potbhare there seems to be no objection to forwarding copy ~~of~~ thereof to him. As the original 'Bond' is probably with the S.E., Shri Potbhare may be informed that copy thereof will be furnished to him by the S.E., G.I.C.

3. The ~~G.L.~~ G. Ls. at (4) and (5) of para. 1, have been addressed to local officers for their guidance, Shri Potbhare may be informed that as these G.Ls. are not addressed to him copies thereof cannot be forwarded to him.

4. The question whether the stipend was to be recovered or not was considered in details and it was decided to recover the same from Shri Potbhare - vide G.L. No. 2851/48(1)-F, dt. the 17-8-51, and the notes underlying it. The S.E. has also reported.

reported that notice has been served on Shri Pothhare that in case he failed to pay the stipend, further action would be taken to recover the stipend. Further developments will have to be awaited.

Subject: Shri V.L. Date, Sub-overseer.

I have to state that Shri V.L. Date, Sub-Overseer, was allotted to this department vide Government letter, P.W.D. No. 6846/36(I)-E(II) dated the 26th October, 1949. On receipt of Government orders a posting order was issued to Shri Date requesting him to report for duty at Surat immediately vide this office order No. E25/18248 dated the 5th November, 1949 (copy enclosed).

Since Shri Date did not join his appointment, he was requested to refund the stipend of Rs. 405-3-0 paid to him by Government for training. The two persons who had stood surety for him were also written to, but so far there has been no respons who had stood surety for him were also written to, but so far there has been no response. Shri Date has also neither refunded the stipend nor replied to this office letter.

Shri Date, presumably has taken the stand on the strength of condition 4(a) of the agreement excuted by him with Govt. which states that a Government stipendiary is bound to accept the post of a sub-overseer in Government Department if offered within 3 months of the date of his passing the final examination.

Shri Date has presumably passed his sub-overseer 's exam. in May 1949 but as there was no vacancy in any Government Department his name was kept on waiting list along with others vide Government letter, P.W.D. No. 6846/36(1)-IX - E(II) dated the 30th August, 1949. He was allotted to this department only in October 1949 vide Government letter, P.W.D. No. 6846/3(I) -EI dated the 26th October 1949.

I have therefore to request you please to let me know if th question of recovery of stipend in his case may be dropped.

Subject: Sub-Overseers' Class amount of stipend.

Sir,

I was selected as a candidate for the first batch of Sub-Overseers' class at the College of Engineering, Poona. I completed the prescribed course of P.W.D. Sub-Overseer and passed the examination held in November 19545 securing 67% marks. I was, them, appointed as a Sub-Overseer in the Girna Project Sub-Division, chalisgaon under the Irrigation Projects Division (Central), Poona. I served there for about four years. When the Irrigation Projects Division (Central), Poona was transferred enblock to the Kayna Irrigation Circle together with its three sub-divisions, was transferred to the Koyna Irrigation Projects Division would be on incomvenient place for my service, being on out of way district, I joined my duties there just to obey the orders of my superiors. I served their for about 10 months during for my transfeer to the Deccan Irrigation or Central Circle, but my request was acceeded to. In view of the family circumstances, I had no other alternative than to resign the post. I, accordingly resigned the post on '14-6-1050 A.N.' and refunded Rs. 360/- as per agreement bond signed by me. I have receive Rs. 421-15-0 as an amount of stipend during the course of training, but according to the candidates of bond signed by me, I am required to refund Rs. 360/-. But now Principal College of Engineering, Poona and Superintending Engineer, Koyna Irrigation Circle, Poona are prdssing me to refund Rs. 421-15-0 (insted of Rs 360/-) which is not in accordance with conditions the candidates of the agreement bond. The Executive Engineer,

Koyna Irrigation Projects Division No. 1, Bijapur has with held the amount of my pay & T.A., which is greatly annoying several Sub-Overseers from my batch)(i.e. first batch) have refunded only Rs. 360/- while resigning Shri M.M. Macha, Sub.Overseer from the Bijapur Division (Southern Circle) has refunded only Rs. 360/- while resigning. Under these circumstances it is not understood why the Principal, College of Engineering, Poona and Superintending Engineer, Koyna Irrigation Circle, Poona have accepted this impartial view in my case. I requested them to refer to the conditions of the original bond signed by me, but they are not considerate enough to do so.

I would, therefore request you Honour to refer to the conditions of the original bond signed by me and give a proper decision in this case.

It may be mentioned here that I have, already, refunded Rs. 360/- as per agreement bond and have asked as per conditions of the agreement bond. I had also a desire to serve elsewhere in the P.W.D. as Superintending Engineer, Koyna Irrigation Circle. Poona was not considerate enough to transfeer me from Bijapur to other suitable place, I had to resign the job.

I, finally, request your Honour to take an immediate action in this matter.

Sir,

With reference to the endorsement No. 1414 of 1950 dated 7th September 1950 of the Superintending Engineer, Koyna Irrigation Circle, Poona regarding the petition of Shri K.B. Vaidya, ex-Sub-Overseer of the Koyna Irrigation Projects No. 1, Bijapur, I have to offer my remarks as under :

Shri K.B. Vaidya was asked to refund the total amount of stipend (viz-Rs. 421-15-0) received by him during his training in this College as Sub-Overseers This report was made through oversight of the fact that he was a student of the I batch of the Sub-Overseerls Class. As per the terms of the bond agreement executed by Shri Vaidya, he is required to refund Rs. 360/- only in case of his leaving the appointment prior to the termination of the agreement period. The Superintending Engineer, Central Circle, Poona,

PCONA.

Sub: Notice of discharge.
Ref: Ex. Engr. Nasik Division's No. AB/Est 11029 dated 28th Oct. 1950.

Sir,

I apologise for encroaching upon your valuable time and I must respectfully venture to request your honour kindly to consider the following few lines favourly.

I am a qualified surveyor having passed the surveyor examination from the Government Engineering College Poona in 1945. I had joined the military services and have worked in the Military Department from 21-8-1944 to 1-11-1945 having obtained discharge from the military service (as per discharge certificate and acceptance of resignation attached.) I have joined P.W.D. and have been serving as a sub-overseer on work-charged Establishment from - 1-3-46 to 27-7-1946 and Temporary Establishment from 10-9-1946 to date.

I have thus put in nearly 6 years service under Government both Provincial and Central and have worked to the entire satisfaction of my superiors as may be seen from some of the certificates enclosed for reference please.

As per seniority list of Sub-Overseers of Central Circle as on 31-12-1949 I stand at S.No. 16 in the seniority. The senior most Sub-Overseer as per S. No. 1 of the list is appointed on 1-12-1945 and thus he is senior to me in service by 9 months and 2 days only. I may please be allowed to mention here that if my war service and Work-Charged service of one year seven months and eight days is considered, I stand the chance of being the senior most amongst the all the Sub-Overseers in the Circle.

Having regard to my above request I trust your honour will be pleased to look into the matter and adjust my seniority above all thereby relieving me of the anxieties

caused by notice of discharge served on me as a measure o. retrenchment.

Hoping to be excused and thanking y in anticipation.

Passed on with compliments to the Executive Engineer Nasik Division Nasik for favour of further disposal.

As stated by the applicant after taking into ~~consider~~ account his war service, his seniority will be much above and thus may be within the strength of sub overseers to be retained in the circle. He is a hard working and useful subordinate in the department. Thus taking into consideration all these facts I have to recommend him for retaining him in the department. He has laboured very strenously for work in connection with congress session carried out recently by South Deolali Sub-Division.

Bombay: 14th September 1950.

To

The Secretary to the Government of Bombay,

BOMBAY.

Subject: Sub-Overseers trained under Government Scheme.

Sir,

Several Sub-Overseers were trained at the Special Class at the College of Engineering Poona under Govt. Scheme and they were paid stipends by Government during the period of their training in past when technical persons were not available. Some of these sub-overseers have been allotted to the Housing Organization as per S.E. Central Circle's No. 55(b)4804 dated 16.7.1948 (copy enclosed for ready reference) and with the creation of the Bombay Housing Board, these persons have become the servants of the Bombay Housing Board.

The services of these sub-overseers are now not required by the Bombay Housing Board and they can be relived and spared for service in other Departments requiring them.

In view of the fact that these persons have bound themselves to serve Government for five years, I would request you kindly to inform me whether their services would be required by the Public Works Department and if not, the Board can terminate their services after giving due notice as and when they can be relieved.

Yours faithfully,

Sir,

Re: Recovery of stipend

Ref: X.E.N.Ahmedabad Irrigation Division letter No. E.C./1015 dated 5-10-1950, addressed to me and copy to you.

- - - - - - -

Adverting to above, I most respectfully beg to submit the following few lines for your favourable consideration.

I received a stipend of Rs 396/2/- while under- going training of Sub-Overseers' Class at the Poona Engineering College in 1948, and accordingly I entered into an agreement with the Government of Bombay whereby I was required to accept Government job in the grade of Rs. 61-3-85-EB-4-105-EB-5-130, provided the said job was offered to me within the stipulated time of 3 months or 90 days, vide para 1 of the Agreement Bond, executed by me on 19.7.1948.

I was declared successful in the Supplementary Examination held in July 1949, vide letter No. G89/A/12 dt. 16-8-1950 from The Principal, College of Engineering, Poona.

By your letter No. 584616(1) -IX - E(II) of 30-8-49, I was advised that there was no vacancy to offer me then but my name will be considered after occurrance of a vacancy. Copies of this letter were forwarded to various Engineers and Housing Commissioners etc. The first call I received was from the Supdt. Engineer, Gujarat Irrigation Circle, Baroda, vide his letter No. GIc/1082 of 21-11-1949(which was actually received by me on 24-11-49.) From this you will find that I received the first appointment letter after expiry of 100 days.....

days as against 90 days mentioned in the Agreement Bond. I was thus unable to join the appointment in spite of the fact that I kept waiting to receive orders from Government for full three months. In view of this, the remarks passed by the Executive Engineer, Ahmedabad Irrigation Division, in his letter No. EC/6646 of 5-7-1950, in para 2, are irrelevant and refund of the stipend claimed by him as untenable, as the Government failed to offer me job within the stipulated period of 3 months or 90 days.

I shall be most grateful if you will kingly treat the matter as closed and advise the Executive Engineer, Ahmedabad Irrigation Division, accordingly, and your confirmation in this regard will be much appreciated.

Yours faithfully,

Sub: Recovery of stipend.

Ref: Your letter No. G52/6353 of 1950 dated 18th September 1950.

Sir,

With reference to your above, I most respectfully beg to further submit as follows:-

That I was declared as successful candidate having passed in the supplementary examination held in July 1949, vide your letter No. G. 89 - A (12) of 18-8-49.

Vide your letter No. 584616(1)-IX-E(II) dated the 13th August 1949, I was informed that there was no vacancy to offer me then but my case would be considered on occurring at a ~~Engineers~~ vacancy, copies of this letter were forwarded to various Engineers, Housing Commissioners etc.

Administrator of Randhar Town Municipality, vide his letter No. Ran/Adm/290 dated 7th June 1950, was kind enough to offer the post when he knew that Government could not provide me with the same (para 2 of the letter referred to).

I was finally offered the job, vid your letter No. GIC/1082 of 21-11-1949 at Ahmedabad Irrigation Division which offer was given to me after 3 months and 3 days i.e. 93 days.

It would be evidently clear from the above that the offer was never given to me within the stipulated time.

Under the circumstances, mentioned above, I submit that the amount of stipend now claimed from me should be waived off as a special case and the undersigned advised accordingly.

Yours faithfully,

Subject: RECOVERY OF STIPEND.

Sir,

I beg to forward herewith a copy of the Executive Engineer, Ahmedabad, Irrigation Division's letter No. EC/P/14791 dated 9-11-1951, intimating me that Government has passed orders on my application dated 30-4-1951 to the effect that the stipend amount should be refunded by me and asking me to pay the amount within a period of 15 days from the date of issue of his letter, which was received by me on 20-11-1951.

In this connection, I beg to draw your honour's kind attention to my application dated 30-4-1951 addressed to the Deputy Secretary to the Government of Bombay, P.W. D. Bombay, in which copies of the following documents were asked for by me in order to decide the question of the refund or otherwise of the stipend amount:-

(1) Government letter No. 6846/36(1) E (III) dated 16-9-1949 inw which the appointment was offered to five candidates including myself, vide S.E. Gujarat Irrign. Circle No. G.I.C./1082 dated 21-11-1949.

(2) Copy of Government Letter 6846/36-E(II) dated 10-11-1949 addressed to me.

But the copies of the above documents have not been supplied to me by the Executive Engineer, and inthe absence of these documents, it is not possible for me to decide the question of refunding or otherwise of the stipend amount by me to Government. As.....

As already pointed out in my application that I was not offered the post within the time stipulated in para one of the Bond Agreement and this fact is further suported by letter No. RAN/ADM. 290 dated 7th June 1950 from Administrator Rander Town Municipality (copy attached) wherein that officer clearly stated that "It is learnt that you could not be offered appointment by Government for want of vacancies."

It will thus, be seen that not only the 4 candidates were not offered the appointments within due date as stated in para 2 of Govt. P.W.D. Bombay's No. 6846/36(I)-E(II) dated 31-1-1950, but I was also one of them.

This fact was repeatedly brought to the notice of the Executive Engineer, Supdtt. Engineer, Gujarath Irrigation Circle Division, and also to the Deputy Secretary to Government of Bombay, P.W.D. but no definite reply to the point raised by me in my previous application dated 30-4-51, was given to me nor cópies of the documents asked for (in para 1 above), were supp--lied to me. Similarly it is not understood how it was construed that four candidates were not given appointments within the due date in face of the S.E. Gujarat Irrigation Circle's letter No. G.I.C./1082 dated 21-11-1949 wherein they were intimated, that they were appointed as Sub-Overseers and that they should report to the Executive Engineer, Ahmedabad Irrigation Division, Ahmedabad, and subsequently they were exempted from payment of stipend amount.

It will be been from the facts stated above that though my case is on the par of other four candidates mentioned above, it has been treated on a different footing and I am asked to refund the stipend amount.

In the above circumstances, I earnestly request that in fairness, and justice my case may kindly be recosidered in the light of the facts stated above, and necessary orders passed in the matter. I also request that I may be supplied with copies

of the Govt/. letters mentioned in para 1 above, to enable me to decide once for all finally in the matter, in case Govt. up-holds previous orders.

It is also requested that pending the final decision of Govt. in the matter, Executive Engineer, Ahmedabad Irrigation Division, may be requested not to press for the recovery of the stipend amount from me.

Yours faithfully,

Sd/- M.N. Potbhare.
